

The image displays three architectural drawings of a kiosk structure, labeled 1, 2, and 3, with their respective scales and orientations.

- 1 East and West Elevation scale 1/50**: This elevation shows the front facade of the kiosk. It features a series of vertical panels with diagonal bracing. Above the panels are eight rectangular windows. Labels indicate "Up lights" above the windows and "Down lights" below the panels.
- 2 Side Section Internal scale 1/50**: This section drawing shows the interior of the kiosk. It includes a "Back-lit wall cladding (by specialist)" and a "Back-lit bar counter by specialist". The roof structure is shown with "Low-voltage lights on cables tensioned between walls". Labels also indicate "Up lights" and "Down lights" on the exterior walls.
- 3 North and South Elevation scale 1/50**: This elevation shows the side profile of the kiosk. It features a series of vertical panels with diagonal bracing. Labels indicate "Up lights" and "Down lights" on the exterior walls.

<b>Project Name:</b> Additions and alterations to unit 602																																																														
<b>Dwg. Description:</b>  																																																														
<b>Client:</b> M. Crespi																																																														
<b>Address:</b> Unit 602, 10 Degrees, Cnr Short & Benmore rd. Morningside																																																														
<b>Project Number:</b> 01_107				<b>Sheet Number:</b>																																																										
<b>Dwg. File:</b> 01_107				<b>Plot File:</b> 01_000																																																										
<b>Dwg. Issue Date:</b> 29-07-2010				<b>Issue Status:</b> Review
